

Chapter 6

Hello Everyone,

Your employee association would like to resurrect an old Chapter 6 tradition and invite you to a special Holiday Happening! This is our way of saying thank you to our members and spreading some holiday cheer.

We will be hosting this gathering at Morgan LeFay's near the district office on December 4. Appetizers will be provided, we will be giving away door prizes, and our very own DJ Tony Utz will be spinning tunes and breaking out the karaoke gear. In addition, the restaurant owner has graciously offered to give our group special happy hour pricing for the evening.

Members attend for FREE, (sign up now by contacting any association officer), and spouses/guests/non-member employees may participate for \$5.

Please RSVP to Nicole Kreisel at team6stl@gmail.com or (314)270-2614 by November 29.

Hope to see lots of you there!
